By: \_\_\_\_\_

What is a citizen?

A citizen is a member of a community and country.

A good citizen does things to help the community that they live in.

A good citizen follows the rules.

A good citizen is kind  
and caring.

Are you a good citizen?

## CITIZENSHIP PLEDGE

I pledge to be a citizen that  
is good.

That helps around my  
neighborhood.

I never steal and never fight.  
Because I follow the rules and  
do what is right.

Caring about others in every  
way.

Is how I pledge to be a good  
citizen everyday.
